

# MIZORAM STATE POLLUTION CONTROL BOARD

215

No. H. 88088/Poltn/68/17-MPCB/

Dated Aizawl the 27<sup>th</sup> May 2019

To,

The Director,  
Commerce & Industries Department  
(Nodal deptt for Ease of Doing Business)  
Govt. of Mizoram

Subject, Compliance of the BRAP, 2019- Non Applicability issues reg.

Sir,

With reference to the subject cited above, May I inform you that the Mizoram Pollution Control Board has its Office in Aizawl with no Regional Office in other parts of the State thereby requiring implementation of various provisions of the Pollution Control Acts & Rules from the Aizawl Office. The Office has only three gazetted officers which comprises of the Member Secretary, AEE (for industrial Pollution Control and various wastes management) and the Scientist 'B' (for Air & water laboratory & various establishment related matters). Thus the Board has identified and trained 3 junior level officers to assist or undertake inspection of Red, Orange & Green Category (one for each category) apart from their assigned works under air & water monitoring. Further, as you are aware, connectivity of the states in terms of road and internet are rather poor thus holding back the implementation process.

Owing to the above issues, the MPCB, at present, is not in a position to comply with certain points of the BRAP 2019 like.

- 1) SI No 65 (vii): 'Mandate online submission of inspection report within 48 hours to the Department' and
- 2) SI No 65 (viii): 'Mandate that the same inspector will not inspect the same establishment twice consecutively'

May I therefore request you to kindly convey the non - applicability issues mentioned above to the concerned authorities.

Yours faithfully,

(C. LALDUHAWMA)

Member Secretary,

Mizoram State Pollution Control Board.
